

Quench 985: Countertop Water and Ice Maker

- ◆ Chewblet® compressed nugget ice
- ◆ Room temperature water
- ◆ Typically serves up to 50 users
- ◆ Attractive, modern styling
- ◆ Quiet operation
- ◆ State-of-the-art purification
- ◆ Space-saving, compact size
- ◆ Equivalent of planting 30 trees/year*

Beautiful on the outside, the best technology inside

Quench 985. Have a need for ice and water in the same machine? The space-saving Quench 985 is a smart-looking ice and water cooler that produces high-quality Chewblet® nugget ice along with an endless supply of pure, fresh water. The Quench 985 is an attractive addition to any lunchroom, break room, healthcare environment or other area where ice is desired.

*Chewblet® ice nuggets
made by the Quench 985*

*** A GREEN APPROACH**

Compared to a bottled water cooler, the Quench 985 is the greenhouse gas emissions equivalent of planting 30 trees every year.

Total ice-making capability — up to 400 pounds per day

Ice-maker and room temperature water dispenser (Optional: ice-only)

The best filtration systems available, matched to your water:

- Option: 5-stage activated carbon**
